Mr. Nahil explained equipment items that were obviously needed and reported the Finance Committee were unanimous in their de-

cision to recommend to the Convention that bond or note of \$10,000 be authorized for the purpose of purchasing the following equipment:

Steam Pressure Cooker	\$ 2,070.00
Tractor, Equipment and Chopper	7,040.00
New Fire Alarm System	1,000.00

Chairman Nahil then presented a recommendation for an additional \$4,000 for an addition to the barn. It came as a surprise since no mention of it had been made in previous meetings. This suggestion accounted for the very timely sheet concerning operation of the farm that had been given each member as they entered the Chapel.

On motion of Mrs. DeLude, seconded by Mr. Angus, that \$14,000 be the suggested amount for borrowing on bond or notes, for above mentioned items.

A lengthy discussion ensued. Among points touched upon worthy of note were the following:

- A. Surprised that action was brought in today when not mentioned in previous meetings, especially so since this same delegation a year ago had established a Policy regarding the size of the herd at the Farm
- B. Others felt the Hospital should be enlarged to create greater income and money might well be forth coming from Federal Government under the Hill-Burton Act
- C. Management of herd—labor employed, condition of young cattle not up to a desired standard, etc.

Mr. D'Amante ordered previous question—Clerk asked for roll call vote. Result: 12 voting NO—11 voting YES—MOTION LOST.

(Voting Yes: Gaffney, Angus, Cann, Nahil, Guest, Weber, Merrifield, Bascom, Nelson, Wirkkala and DeLude)

(Voting No: Adams, Frizell, Campbell, Barrows, D'Amante, Bailey, Downing, Spanos, Hood, Hastings, Philbrick and Crane)

On motion of Mr. Hastings, seconded by Spanos that \$10,000 be borrowed by note or bond issue to purchase equipment previously mentioned.

Mr. Merrifield moved, Nahil seconded that motion be amended to include \$4,000 for barn.

After further discussion motion and amendment were withdrawn.

On motion of Mr. Barrows, seconded by Mr. Campbell VOTED: that \$14,000 figure be reconsidered: More discussion:—

- A. Mr. Wirkkala favors barn, feeling the farm is a paying proposition
- B. Mr. Guest suggested an engineering firm might be engaged to evaluate the County Farm as a whole—adding

cost would well be more than the present request for \$4,000.00

Previous question ordered—Clerk requested roll call. Result 12 voting YES—11 voting NO. Roll call the same as previously noted except Mr. Philbrick changed from NO to YES. Motion carried.

Mrs. DeLude, seconded by Mr. Angus offered the following motion: "I move that the County Commissioners be authorized to direct the County Treasurer to obtain the sum of \$14,000 by bond or long term note for the following expenditures:

A. Steam Pressure Cooker	\$ 2,070.00
B. Tractor, Equipment and Chopper	7,040.00
C. Fire Alarm System	1,000.00
D. Barn enlargement	4,000.00
	<hr/>
	\$ 14,110.00

Clerk requested roll call. Result: 12 voting YES—11 voting NO Voting YES: Cann, Gaffney, Angus, Nahil, Guest, Weber, Merrifield, Bascom, Nelson, Wirkkala, Philbrick, DeLude.

Voting NO: Adams, Frizzell, Campbell, Barrows, D'Amante, Bailey, Downing, Spanos, Hood, Hastings, Crane.

On motion of Mr. Barrows, seconded by Mr. Cann, VOTED: that the total budget be accepted at \$517,601.63—the amount necessary to be raised by taxation to be \$312,393.19.

Chairman Frizzell resumed the chair and read report concerning County Hospital as prepared and signed by Mrs. Weber and Mrs. DeLude.

On Motion of Mr. Wirkkala, seconded by Mr. Crane, VOTED: that a copy of this report be made available to each member of the Convention.

Inasmuch as such a committee was authorized a year ago and named by the Chairman and had not functioned as a Committee of the whole, the following motion was offered:

On motion by Miss Bailey, seconded by Mr. D'Amante, VOTED: that this Committee be continued and a report to the Convention be made in September, 1964. MOTION CARRIED.

On motion of Mr. Wirkkala, seconded by Mr. Nahil, VOTED: that the notes or bond issue for \$14,000 previously ordered be paid back in three years.

On motion of Mrs. DeLude, seconded by Mr. Angus, VOTED: that a warm vote of appreciation be accorded the Commissioners and the Aherns for their gracious hospitality.

Mr. Nahil spoke concerning the possibility of making payments to the employees of the County Home semi-monthly instead of monthly

as the practice now exists.

On motion of Mr. Nahil, seconded by Mr. Crane, VOTED: that the Commissioners are instructed to inaugurate a system whereby the employees of the County under direct budgetary supervision of the County Commissioners will be paid twice monthly.

Executive session adjourned at 4:20 P. M.

Commissioners Bailey, Perkins and Mr. and Mrs. Ahern were summoned back to the meeting and Mr. Nahil reviewed the budget as passed by the Convention.

COMMISSIONERS' REPORT

To the Citizens of Sullivan County:

In accordance with the laws of the State of New Hampshire, the Commissioners of Sullivan County herewith respectfully submit their Annual Report for the year ending December 31, 1964.

The County Commissioners wish to express their sincere thanks to the County employees and all who have given us their wholehearted cooperation and faithful service; especially the Superintendent and Matron of the County Home, the Doctors, Chaplains, Sheriff and Attorney, the Delegation, the officials of all the Towns and City of Claremont, and any others who have been most helpful in assisting us to carry out our County duties.

As we close the year, it is a great satisfaction that the plant, farm and hospital buildings continue to be up-graded to both the pride and comfort of all who spend their time at the Institution. Extensive painting, repairing, soil conservation and forest management are all showing progress. The dairy barn is completed and the piggery is under extensive repairs. We believe that the county farming operations can, and should, be an example of progress and education to the area farmers of Sullivan County. Through the cooperation of the County Extension Service, the State and Government, we should be able to have continued progress in this area.

Considerable time was spent this past year by members of the Delegation and the public, studying the feasibility of expanding the hospital. From these meetings, all favored the need for hospital bed expansion. This study was instigated by a continuous waiting list for admission to the County Hospital and Nursing Home.

Our gratitude goes to the many clubs, organizations and individuals who have contributed so much for the welfare and happiness of the patients and inmates. Sullivan County can be proud that so many citizens are striving each day to do their utmost in seeing that the sick, aged and needy are not forgotten, and can expect love, care and help from their neighbors and friends. We invite all to take part in this human cause.

Respectfully submitted,

Vincent A. Perkins

Charles L. Bailey

Remington B. Woodhull

SUPERINTENDENT'S REPORT

December 31, 1964

To the Honorable Board of County Commissioners:

As we look back on the year of 1964 we feel that the time has gone all too quickly, but much has been accomplished.

The hospital has been filled to capacity and many times during the year the waiting list of applicants has numbered in the forties attesting to the shortage of nursing home beds throughout the county.

The services rendered in the hospital were increased by the use of Federal Funds granted the State Chronic Illness Program. Through this department we were able to secure the services of registered physical and occupational therapists which have benefited a great number of our residents. Early in May, Mrs. Priscilla Buinicky, a resident of Newport and a registered physical therapist, was employed through the Chronic Illness Program as a part time consultant. Later in the year Mrs. Charlotte Hawkins, former Director of Occupational Therapy at Brattleboro Retreat, moved to Claremont and she was engaged through the same Program on a part time consultant basis. We hope to continue with these necessary services in 1965 as they assist in the rehabilitation, well-being, and contentment of the residents.

Twenty-four hours a day R. N. coverage has finally been achieved which has been a major undertaking to complete our nursing staff and will insure the proper care of all the residents. We are very fortunate and pleased to have Mrs. Lucille Waldo, our Director of Nursing Services, and our fine nursing staff. The home-like wholesome atmosphere throughout the hospital is evidence of their dedication.

It was necessary this past year to make certain changes in our linen department to insure an adequate supply of clean linen for patient care as well as the personal clothing of the residents. This was accomplished by renovating one of the House of Correction rooms and installing a donated automatic washer and dryer and assigning paid personnel to the department. This change has proved very beneficial and has solved the problem of linen supply.

The Fire Alarm System which required many months of labor has been installed. This work was carried on in conjunction with the regular maintenance duties.

The steam pressure cooker has been placed in operation and is greatly appreciated by our cooks as it saves a great deal of time in

the preparation of good, tasty meals.

The House of Correction occupancy has been above average in 1964 and this has helped to lower the cost of farm labor. The cost of holding prisoners in Manchester was well above the previous year adding to the cost of House of Correction operation. The House of Correction will always present a problem in the basement of the hospital building.

Consideration should be given in the near future to a new location so that we can give better supervision to the confined men and thus have proper control of the House of Correction.

The farming operations were very successful. Late in the winter plans were made for the barn addition. The lumber was cut, sawed, and stacked for drying; making it possible to start building by midsummer with final completion by early fall. The new addition has proved a real asset in dairy management.

This past spring was excellent for the making of maple syrup and 259 gallons were realized. Many children from the Claremont schools made visits to the County Home to see the processing of maple syrup.

Though the summer was very dry, the crops were good, and sufficient feed has been stored for the dairy herd. The vegetable garden thrived and an abundant supply of fresh vegetables was placed in the root cellar for winter use.

The new farm equipment proved very valuable in accomplishing our farming tasks; sufficient equipment was available at all times for a smooth running farm operation. All haying and cropping were completed on schedule.

Major repairs were needed in the boiler room; a two inch main feed line sprung a leak necessitating the installation of a new entrance which proved to be quite costly.

The renovation in the kitchen of the Administration Building is progressing slowly but should be completed early in the new year.

The study committee concerning the Nursing Home facilities in Sullivan County held meetings and from the evidence submitted it would appear that some action would be taken in 1965 on an addition to the hospital.

On December 31, 1964 the term of office of Commissioner, Vincent Perkins, expired. We were sorry to lose this dedicated person and extend our many thanks for his guidance and counsel and his interest in county government.

We are happy to welcome Mr. Arthur Forrest, our newly elected County Commissioner and offer him our best wishes during his term of office.

We would like to express our appreciation to our county commissioners: Mr. Vincent Perkins, Mr. Charles Bailey, and Mr. Remington Woodhull for their cooperation and assistance during the past

year. As always, they have been most understanding and helpful.

We would also like to express our thanks to our former, County Attorney, George Zopf, for his helpful suggestions and counsel and offer our congratulations to Mr. Charles Spano, our new County Attorney.

Our County Home Auxiliary continues to be active with friendly visiting and assisting with arts and crafts. This past year the women purchased drapes for one of the sunporches and also gave the hospital two lovely paintings.

As has been true each year, it would be almost impossible to mention the many clubs, organizations, church groups, and individuals who have provided entertainment, gifts, etc., to the residents at the hospital. We are especially pleased that many of the groups decided to spread their cheer by coming at different times during the year. Thus all the activity is not concentrated on the Christmas Season. Many of the program are now annual affairs and the residents look forward to them. They look forward to them with much joy.

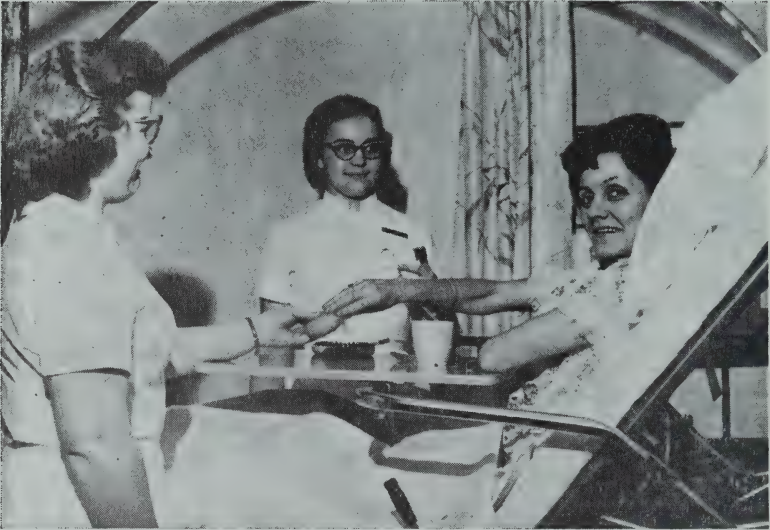

We want to take the opportunity to thank Dr. Carl Stearns, our chief of staff, and his medical staff, Dr. Robert Maxfield and Dr. Alberto Miyara for their continued cooperation.

We also want to extend our thanks to our chaplains, Mr. Alvan Barrus and Rev. Father Jean Tremblay; to all members of the clergy of various faiths to our County Extension Service; to our Sheriff's Department and to our County Attorney and to all others too numerous to mention for their continued support and help in the operation of the Sullivan County Home and Nursing Hospital.

In closing we wish to express our sincere thanks to our employees for their dedication and loyalty and for their active part in making the Sullivan County Home and Nursing Hospital one of which we can all be proud.

Omer C. Ahern, Superintendent

Rosa C. Ahern, Matron

Shown is the Circo-Electric Bed, donated by a private fund raising campaign and sponsored by the "Daily Eagle". Equipment which is especially designed to enhance the nursing care and the comfort of the patient has become a necessity at the Sullivan County Nursing Hospital to best meet the needs of the many and varied nursing care problems.

PHYSICIAN'S REPORT

To the Commissioners of Sullivan County:

During 1964, the patients at the County Nursing Hospital enjoyed the efficient supervision of Mr. and Mrs. Omer Ahern, Mrs. Lucile Waldo, our Chief Nurse, and her capable Nursing Staff.

Our Medical Staff, which included Dr. Robert Maxfield, Surgeon, and Dr. Alberto Miyara, Internist, was expanded to include the consulting services of Dr. Robert Shoemaker, Orthopedic Surgeon, Dr. Hanford Auten, Ophthalmologist, and Dr. J. Howard Sprague, dentist.

Through the courtesy of Mr. Garner Goodwin, Administrator of the Claremont General Hospital, we were able to use the kind services of the General Hospital Laboratory and X-Ray Personnel.

The Physiotherapy program, under Mrs. Priscilla Buinicky, an experienced Physiotherapist, has been very active.

Mrs. Charlotte Hawkins, a registered Occupational Therapist, with many years of experience in individual and group therapy, has reorganized the O. T. Program, ably assisted by Mrs. Blanche Stoughton. They are conducting a very busy occupational therapy program.

However, we have the same old problem, a long waiting list of almost 50 people who need our facilities. Because of the constant increase in the number of older people in our population, there will always be a lag in meeting their needs.

The County needs a new building with at least 50 more beds, and more room for physiotherapy and occupational therapy. This would enable more senior citizens to receive good nursing care, plus more things to do and to enjoy. Thus, they would be able to round out their sunset years with dignity and a feeling that they are still useful to themselves and to others.

Carl M. Stearns, M.D.
Chief of Medical Staff

ANNUAL REPORT SURGICAL SERVICE SULLIVAN COUNTY NURSING HOSPITAL

During the year 1964, I have served as a surgical consultant at the Sullivan County Nursing Hospital and have been requested to briefly submit a report.

My work at the hospital has been upon referral by Dr. Carl Stearns. First, it should be stated that his faithful, sympathetic and excellent care to the patients there with his thrice weekly visits has made the medical care at this nursing hospital outstanding. I have seen patients upon referral by him under three different sets of circumstances. There have been regularly scheduled visits where surgical rounds are made, there is an occasional urgent case where a special trip to the hospital is made and frequently, patients are seen in consultation either at my office in Claremont or at the Claremont General Hospital. There have been a total of 6 patients referred to the Claremont General Hospital for surgery, there have been 7 patients referred to the Claremont General Hospital for diagnostic tests and x-rays. There are no such facilities for either of these procedures at the Sullivan County Nursing Home and only minor surgical procedure was performed at the Nursing Hospital. Approximately 25-30 patients were seen by myself in consultation at the Nursing Hospital.

The liaison between the Nursing Hospital and the General Hospital has proved to be of value to many patients. There is one important aspect of this, however, which is now lacking. In the past it was quite frequently possible to refer a patient from the Claremont General Hospital for convalescent care at the Sullivan County Hospital. These typically were fractured hips but there were other patients involved. These patients would have reached the stage of convalescence but did not require active general hospital care, but did need good nursing hospital care as is so well offered at the Sullivan County Nursing Hospital. During the past one year I was not able to obtain a bed for any such transfers. Thus I feel one very important function of a County Nursing Hospital is not being met. I realize that the County Commissioners and the Administrator at the Sullivan County Nursing Hospital are aware of this problem and are trying to correct it.

Robert G. Maxfield, M.D., F.A.C.S.
Surgical Consultant
Sullivan County Nursing Hospital

PROTESTANT CHAPLAIN'S REPORT

The work of the Chaplain has continued in much the same manner as recent years. Regular chapel services have been held nearly every Saturday evening. Visiting has been maintained throughout the hospital and House of Correction once or twice per week.

Additional varieties and quantities of devotional material have been provided this year, including "Home Prayers" each week, and the daily devotional booklet, "Upper Room."

The Chaplain wishes to thank the staff, and those volunteer groups who give so much of their time and talent to brighten the lives of all the people at the Home.

Respectfully submitted,
Alvan Barrus

CATHOLIC CHAPLAIN'S REPORT

To the Sullivan County Commissioners:

This report is a brief summary of the activities which took place at the Home during the year 1964.

The celebration of the Holy Mass was offered at the Home once a month. Holy Mass was also given on special occasions. During the year, about 14 assisted Mass faithfully. I had about 25 faithful communicants.

The Sacraments and spiritual counselling to each was made available by personal contact throughout the Home every time I was at the Home. The Chaplain is always available for the spiritual welfare of all at any time.

Again this year, a limited quantity of religious literature was provided by St. Mary Church and by individual donors. Also this year, we had the welcomed help of St. Mary C.Y.O. in providing assistance to the patients of the Home.

The Chaplain has always found the County Home Staff and nursing department most cooperative whenever their assistance was sought.

I wish to express my thanks to everyone.

Respectfully submitted,
Rev. Jean A. Tremblay
Catholic Chaplain

I wish to call to the attention of the voters of Sullivan County a proposal I have made to the delegation whereby I will be put on a fixed salary and the county furnish my transportation. Also my full time deputy be put on a fixed salary and he also is to be furnished transportation. This proposal has been made over a number of years but has not received favorable action from the delegation. The budget I submitted this year to the delegation ended with these words: "Over the past ten years or more, I have been advocating this set up for the Sheriffs Department at a saving of from \$4,000.00 to \$5,000.00 per year. If adopted at that itme, the County would have saved between \$40,000.00 to \$50,000.00 dollars. I earnestly hope that this plan is adopted at this time to effect a saving of \$4,000.00 to \$5,000.00 per year of the taxpayers money."

I have been your Sheriff for over 20 years. I know my department and I know better than anyone else where money can be saved but it is discouraging when you are not allowed to save the taxpayers money.

Respectfully submitted,

JAMES F. McCUSKER

Sheriff

REPORT OF COUNTY ATTORNEY

December 31, 1964

The Commissioners of Sullivan County
Newport, New Hampshire

Gentlemen:

I herewith submit my report as County Attorney for the year ending December 31, 1964.

During the year 1964 the Grand Jury returned seven indictments and seventeen persons elected to waive indictment, plead guilty to the crimes charged and have their cases disposed of by the Court with dispatch, and one elected to stand trial by jury. The cases involved major crimes such as breaking, entering and larceny, rape, assault, incest, and manslaughter.

Our two District Courts and two Municipal Courts as in the past were busy handling hundreds of cases involving misdemeanors, and our District and Municipal Court Judges sitting in juvenile court disposed of a great mass of juvenile complaints. Your County Attorney appeared in the District Courts and Municipal Courts and prosecuted the actions when the defendants pleaded not guilty and desired a trial.

In 1964, as in past years, much time was spent on the so-called non-support cases which seem to grow more numerous each year. When I first became County Attorney over eleven years ago, I adopted an aggressive policy toward those who attempt to shirk the responsibility of supporting their dependents, and this policy has been continued throughout my terms of office. There were many cases under the so-called Uniform Reciprocal Enforcement of Support Act in which New Hampshire was the responding and initiating state. These cases were all handled by your County Attorney.

This last report affords me an opportunity to publicly express gratitude and appreciation to those who have assisted me throughout my terms of office and have been largely responsible for the effectiveness and the smooth running of my office. I am indebted to the County's fine Sheriff, James F. McCusker, and his fine deputies, the personnel of the State Police and the local Police Departments, for their splendid cooperation and assistance in law enforcement. I also desire to acknowledge the excellent cooperation extended to me by the County Commissioners, and the personnel of their offices, and also the Superintendent and staff of the Sullivan County Home.

Respectfully submitted,

George E. Zopf
County Attorney
